

JASPER HI'S BASKET BALL SCHEDULE.

Jasper has been recently admitted into the Southwest Missouri Athletic Conference and has scheduled 8 conference games of basket ball at present and expect to fill in the other two dates soon. There are 16 schools in this conference and 10 playing dates, and it is necessary for a team to play at least 6 games and at least 4 of them to be with representative schools of the conference to win the championship. This conference includes nearly all of the principal towns of southwest Missouri, such as Springfield, Carthage, Joplin and Neosho, but so far Jasper has been able to

schedule only Neosho, but hopes to play with at least two of the other three before the season is over. Jasper's schedule is as follows, for both boys and girls.

December 22, Jasper at Golden City.
January 5, Golden City at Jasper.
January 12, Webb City at Jasper.
January 19 Jasper at Miller.
January 26, Carl Junction at Jasper.
February 2, Jasper at Webb City.
February 9, Jasper at Carterville.
February 16, Jasper at Neosho.
February 23, open.

March 2, open.
March 9, Miller at Jasper.
Jasper expects a hot game tomorrow night with Golden. Golden and Lockwood have played each other twice, each team gaining a victory by one point. Jasper has played Lockwood twice, winning by one point the first game and Lockwood forfeited the second game when the score was 3 to 4 in favor of Lockwood.

OSTEOPATHY

Thousands die every year because of selfishness—patent nostrums, for which millions of dollars are fed into the maw of the Drug Trust. Add thousands to the death roll because they prevent nature from displaying danger signals (pain) until too late. Osteopathy allows nature to do her work. Osteopathy will add many years to your life.
